February – Open at last !

After being closed for 16 days we eventually re opened on Sunday 17th January to a surprisingly dry and very playable course, hopefully we've seen the back of the white stuff for a while.....

For those of you who don't know, the Captain's Drive In has now been moved to Sunday 21st February, preceded with a Shotgun stableford event (teams of 4) at 8.30am – Come and support Hans and Pauline for the drive in at approximately 1pm.

Titleist AP1 2010 Irons Features:

Advanced Performance With Feel- High quality, high technology design and construction featuring a stainless steel body, tungsten nickel sole and Tuned Feel System enhances performance and feel.

Improved Feel- The thin face with integrated aluminum and soft elastomer Tuned Feel System in the back cavity improves sound and feel at impact for a hotter, more lively feel. A high density tungsten nickel sole bar reduces low frequency vibration for a solid feel.

More Forgiving- Perimeter weighted back flange and tungsten nickel sole bar locates the CG low and deep for increased MOI, forgiveness, and stability.

Higher Ball Speed- Thin face, dual cavity design pushes weight to the perimeter for a hotter face and flight.

Improved Short Irons- Shorter blade length, a thinner topline, and reduced visual offset deliver control and performance.
